This listing of Canadian programs for male batterers is an updated version of the January 1987 listing, Canadian Treatment Programs for Men who Batter, produced by the Family Violence Prevention Division. This 1988 version is the result of a telephone survey conducted by Malcolm Murray in early 1988 of services and contact persons known to the Division. If you note any errors or omissions, please write to the National Clearinghouse on Family Violence at the address below.

Cette liste de programmes canadiens d'aide aux hommes violents est une mise à jour du répertoire de janvier 1987 intitulé Programmes de thérapie en vigueur au Canada à l'égard des hommes brutaux, publié par la Division de la prévention de la violence familiale. Les renseignements contenus dans la présente liste ont été recueillis au début de 1988 lors d'une enquête téléphonique fait par Malcolm Murray qui s'adressait aux services et personnes-conseils connus de la Division. Si vous connaissez d'autres programmes canadiens d'aide aux hommes violents ou s'il y a des modifications à apporter à la liste, veuillez aviser le Centre national d'information sur la violence dans la famille à l'adresse ci-dessous.
